

## Extra Practice Instructions

Hi! This is Diana and I'm going to show you how to use the websites for extra practice.

On this page, you'll see different sections in red color. Underneath, you'll see websites for extra practice. You'll see a picture of the website and words to explain what you can learn. In orange, you see 'Click for lesson.' Click it and watch the video or read the page.

When you're finished, close the window to return to the LEAD website. You can choose another one.

Any questions? Feel free to contact me.

Bye for now!
