

## Lesson 13 Extra Practice transcript

Hi! This is Diana. I'll show you how to do extra practice for Unit 13.

Click 'Parenting teenagers' and you'll see this page. Look in the number 1 section 'Pre-Listening Exercises' and read this question and think about it.

Move down the page to number 2, 'Listening Exercises' and click the arrow to listen to the conversation. You can listen as many times as you want.

Underneath are comprehension questions. Click in the circle next to the answer you think is correct. You can go back and listen to the conversation again if you like. After you fill in all the answers, click 'Final score'. You see your score and the correct answers. You can repeat this as many times as you want.

After, think about number 3 'Post-Listening Exercises' questions.

When you're finished, close the window to return to the LEAD website.

Any questions? Feel free to contact me.

Bye for now!
