

## Lesson 15 Extra Practice transcript

Hi! This is Diana and I'll show you how to do the extra practice for unit 15.

Click 'Domestic violence'. Click to listen to the article. You can also read it in English. Move down the page to read more.

There's contact information on the right side, and below the article are a lot of other articles related to this topic.

This assignment is just to read this article and listen to it.

You can also read it in another language - look in the top right corner and click a language. Click 'English' to go back to English. So you can learn a few new words here.

When you're finished, click to close the window to return to the LEAD website.

Any questions? Feel free to contact me.

Bye for now!
