

Lesson 19 Extra Practice instructions

Hi! This is Diana and I'll show you how to do the exercise for Unit 19, Going to the Pharmacy.

Click 'Going to the pharmacy.' A new page will open.

Move down the page and wait until the picture is finished.

You will hear a woman talking to herself, getting ready to go to the pharmacy. Look near the bottom of the picture to read the words she says. If you want her to repeat something, put your pointer on top of her.

She says she needs to go to the drop off window. Look at the signs for 'Drop off window' and click it.

Listen to the conversation. The pharmacist asks for documents. To give the documents to her, click on the pharmacist.

The pharmacist asks for information. Listen, and read the instructions in the top left corner of the picture. Look at her documents and notes. Look for the information the pharmacist asks for, and click it and drag it to the correct place on the form.

Continue until you give the pharmacist all the information she asks for.

Close the window to return to the LEAD website.

Bye for now!
